One of the best books I've read on the subject

By Robin Crowley

Jim's book is very professional and easy to follow, it teaches you different techniques to achieve the likeness and improve your caricature drawing skills. The book doesn't focus on one single method, but several ones, so that way you may choose which you like most and combine them to create amazing caricatures. I've been drawing caricatures for about 16 yrs. professionally and have drawn more than 10,000 faces by now, so I can tell you, this book is a must for your collection if you are serious in mastering the art of caricature.

Caricatures

By Michael J. Gorges

This book is one of the best on caricatures. I have been buying books about caricatures for over 30 years. Most of them have the common ideas on drawing caricatures. I think Jim Vander key, has more ideas on doing caricatures. I think this would be a great purchase if you are interested in learning how to draw caricatures, or want to improve on drawing caricatures.

Wanna be a Caricaturist? Try Jim van der Keyl

By Johnny Vines

A month ago I ordered and purchased the book A CARICATURIST'S HANDBOOK, 101 gag ideas, also the 3 CD's, the ONE MINUTE CARICATURE, the FRONT VIEW, and EXAGGERATION and the CREATIVE PROCESS by Mr. Jim van der Keyl and I can honestly, sincerely say that the money was well worth it, My caricatures have unbelievably improved, For anyone wanting to be a Caricaturist or just doodle around with a pencil or pen, please try Jim van der Keyl. Jim presents the information in his books and CD's in such a manner that even I sometimes, somewhat, a dummy can comprehend. Jim, you are an outstanding artist, illustrator, caricaturist and last but not least a wonderful instructor....Thanks Jim van der Keyl
