When the cover model who's every man's fantasy...

By most people standards, Ryker is considered odd. As the only child of a notorious conman, he understandably has a few trust issues. Most men are willing to overlook his parentage and strange personality since these days he's better known as one of the hottest cover models around. Ryker knows his appearance pays the bills, but it's also brought grief, stalkers, and one gorgeous cop into his life. There's one tiny problem with his new-found obsession, Grady—other than being a part of organized law enforcement—he also happens to be straight.

Meets a cop who's unlike any other man...

Grady knows exactly what he wants in life. He has the career he's always dreamed of, and plays the field, catching every woman he sets his sights on. That is until he meets Ryker. Something about the more-damaged-than-not cover model brings out Grady's protective side. Ryker also does something else to Grady. He makes him burn. The last thing Grady expected was to fall for another man, but no one makes him feel the way Ryker does. He can't get enough. Unfortunately, he's not the only one.

Their passion will blow everyone away.

When Ryker's ex threatens their newfound love, Grady will stop at nothing to hang onto the man he never knew he wanted, and the bond he'd die to keep.

MUST READ!!! Hot and steamy M/M romance read!!

By Ashley Ziegler

OMG this book was amazing!! I particularly loved this book way better than the first book in the series,

Collide. The characters definitely had a stronger connection and Blow was so much more steamier with hotter scenes. I am a huge fan of M/M romance and this book did not disappoint and I just may have found myself a new favorite author.

The second book in the Hard Hit series, Blow, follows Ryker and Grady. Grady is a straight man who suddenly finds himself in a situation where he wants to protect and care for another man. He can't get his mind off Ryker, which confuses him because he believes himself to be all the way into only women. When Ryker is having problems with his ex boyfriend, who starts rabidly stalking him, Grady, being the cop that he is, is there for him. Grady doesn't quite understand it, but ever since he met Ryker, they have had an instant attraction to one another.

I can't wait to read the next book in the series, Thrash, because I am super curious about Henley after reading the first two books. I also can't wait to read more of this authors work!

It keeps getting hotter!

By AmazonCustomer

I recently read the first book in this series, Collide, and it was the first time I really gave M/M romance a chance. I've since checked out a few others in the genre, and I can say, the genre it's bad, but it's not really my thing. However, there's something about Parkerson's books that are the exception. The chemistry between the characters is off the charts and the scene that are hot are hot, even to a gal like me who normally isn't aroused by the idea of M/M (only because I'm not a guy myself, so it's harder to put myself in their shoes since I would never be apart of any of these equations lol). I really love the dynamic between these characters as well as the suspenseful plot. It's inspiring how instincts can take over and how love can be more about the human than the gender. This definitely falls into the "Accidental Romance" category that I love so much! I will definitely be continuing this series!

Ryker and Grady

By Tarsha

What an enjoyable gay for you book. I really loved both Ryker and Grady. They just seemed like they were made for each other. They completed each other. Toxic people in Ryker's past and present helped destroyed the way he saw himself. Grady helped Ryker see that he was just as beautiful on the inside as he was on the outside. Ryker helped Grady just let go.

Sprinkle in Ryker's crazy ex boyfriend and Grady's interesting relationship with his best friend. You've got yourself a book filled with drama, romance, craziness, sappy moments, hot moments and a HEA. I am curious to read about Henley's story. That's Grady's best friend or he was his best friend until he went off the deep end. But I sort of felt bad for Henley after the confrontation at the end. I look forward to reading more about the secondary characters! 5 stars for me.
