Dissappointing Emily Rodda!

By Toni Masters

Lief, Barda and Jasmine are now on their way to find the second piece of the magical Pirran Pipe. To do this, they must sail to an island, which is rumoured that the civilians breed evil monsters, to kill intruders. Lief, Barda and Jasmine find themselves getting eaten by man-eating slugs and other vicious monsters. But when they reach the island, they see the picture of poor and innocent people, trapped under a veil of darkness and light, where magical and evil man-eating spiders terrorize them and stomp the ground, to name themselves as master. To find the second piece and save the innocent people, Lief, Barda and Jasmine must destroy these spiders to enter the evil Isle of Illusion. I found this book lacking any adventure or might, I know that the characters have gone a little simple and boring and this book, to me was dissappointing. But everyone has their own opinion, and you may love it!

The Isle of Bad Books

By A Customer

Now if you've seen the title of this review and my rating don't get me wrong I love DELTORA. It's just that I hate this book. It was awful and the only reason I don't give it one star is I have to give the benefit of the doubt: it's Deltoran! If you just read THE CAVERN OF THE FEAR and wish to purchase THE ISLE OF ILLUSION (which is no doubt the case) take my advice and don't. It's completely horrible and not worthy of having DELTORA at the top. Just keep on truckin' to THE SHADOWLANDS that you'll find if you scroll up a little. Trust me the one part where there is action is in the three chapters before the last and the rest of it is dull and boring. I beg of you DO NOT READ THIS BOOK!

Discovering the second piece of the Pirran Pipe

By A Customer

In this book, Lief, Barda, and Jasmine face even more dangers and make more friends. The first tribe said that this tribe would most likely murder them on site, and bred evil monsters in the sea. None of this is true. While they discover the truth about the island, they are in grave danger. I very much enjoyed this book, and very much recommend it.
