A paranormal category romance from Entangled's Covet imprint...

Even the undead need a little dating help...

Vampire socialite Melissa Redgrave has the worst luck with men. Frustrated, she decides what she needs is a little help...from New York's biggest supernatural dating agency. Except that sometimes, a vampire doesn't always find her match.

Until she does. And he's delicious enough to bite.

Tarian Drake keeps his necromancy background quiet. After all, the ability to control the dead isn't exactly welcomed in the supernatural community. When he runs into the beautiful Melissa, she tempts him in a way that has never happened before. She's his perfect match in every way.

But just as they are about to take their relationship to the next level, his family decides to make a stand-by kidnapping his new girlfriend. Now, if he ever hopes to date again, he's going to have to get control of his family and free the girl. Oh, and stop a war.

I had a blast reading Dying to Date!

By Jacque

I had such fun with this book! Dying to Date was fun and flirty with edge of intrigue from start to finish. At times I found myself giggling, others I was biting my nails.

Melissa is a vampire socialite however thankfully I did not find her to be a snob. Maybe a bit grumpy, but who can blame her when she's dying to find a date (Get the title!). So she tries her hand at a dating service for supernatural. She's not getting any matches until... Tarian has been around a VERY long time and he is looking for a mate. Necromancers aren't exactly welcome in the supernatural world, so keeping his background on the down-low he tries out the same dating agency as well. It's attraction at first sight. And so the adventure begins!

I found Dying to Date a hoot from the very beginning. Melissa's situation as the dateless I found to be entertainingly funny. When Tarian walks in you can tell there is some serious va-va-va-voom between them.

The dialog on their date was snappy and fun. And then Tarian's family has to go in and ruin it by kidnapping her. Now things got real fun as Tarian goes for the rescue and the rush across the country to get back to her family to stop a war. The adventures they had along the way were some of the best parts for me. The ending was all I wanted it to be and more. Now the question is, will there be another book in this Fated Match series and who is it going to be about? Can't wait to find out!

This is my first book by Victoria Davies and what a delightful treat it was. It had the right amount of sass, danger and heat to keep me entertained the whole way through. I missed reading book #1 in this series and if it is as much fun as *Dying to Date* was, then I will need to rectify that immediately. Very much a recommended read for lovers of fun PNRs.

I received this book from the JeepDiva for the express purposes of an honest review. The opinions and rating of this review are solely mine.

Stars - 5, Flames - 3

Great Story, Great Characters, Entertaining Series. Lot to enjoy

By Douglas C. Meeks

This was a fun romp at heart but overall it spent a lot of time in serious situations. Melissa and Tarian are pretty much a mismatch but they have good chemistry but not much else and things start to go to pieces before they have a chance to really get to know each other well.

The story is great, the two main characters were enjoyable BUT in places where other books would have allowed a bit of revenge it seemed it was missing or very muted. Sometimes you don't want your characters taking "the high road" you want them to get even :)

I still really enjoyed *Dying To Date* and will be looking for the next book in this series, they all have a great story at the heart of them and this was no exception.

Bottom line: Great story, great characters, a bit too non-violent for my tastes but your opinion may vary. 4 Stars and will be looking for the next one.

A fun fast read!

By Angela@ReadingCave

We were introduced to Melissa in *Love at Stake*. She is a vampire in search of her mate. The only problem is no one matches up with her. That's right! She is finally able to sign up for the dating service but no one is even coming close to matching her. A chance meeting of Tarian in the lobby though has her wanting a date with him. He is game for a date with her as well. Too bad no one knows what kinda supernatural he is.

Necromancers have been persecuted to the brink of extinction. Tarian is not about to announce on a dating service that he is on. Knowing who Melissa's daddy is doesn't deter him from asking her out. The attraction is instant. Yet, he refuses to give into attraction alone. He is truly after his mate.

There are some necromancers who believe that their persecution is not warranted. Some who would do anything to get back into the supernatural community. Exile is just not for them. They want the vampire council to listen so they still Melissa- after all her daddy is on the council. Tarian rescues her- and gives her up to avoid another supernatural war.

Melissa at times got on my nerves, she was more of a woow is me gal in this tale. Last book she rocked of

awesomeness. While she still can take care of herself, I got annoyed with her inner dialog. When Tarian tries to do the good thing, the best for the whole world thing, she gets mad at him. When Lucian tries to protect her, she resents him.

Tarian is truly swoon worthy. He wants to protect Melissa, his sister and all necromancers. He knows what war does to the supernatural community and to the human community.

Dying to Date is a fun fast read. It will have you laughing one minute and shaking your head the next.

My Rating 3 out of 5 stars

Favorite Quote "All the fun of a human with the durability and lifespan of an immortal."

Other People

Lucian- Melissa's vampire daddy

Abbey- Lucian's human mate

Eilin- Tarian's sister

Dominic- Tarian's grandfather
