HEALTH: THE BASICS, THE MASTERINGHEALTH EDITION, BOOKS A LA CARTE EDITION (12TH EDITION) BY REBECCA J. DONATELLE PDF

NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value—this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

For Personal Health Courses.

Bringing interactivity to students' fingertips

Health: The Basics, MasteringHealth Edition focuses health coverage on real-world topics that have the greatest impact on students' lives, keeping students hooked on learning and living well. Along with dynamic new interactive content and media, this book retains its hallmarks of currency, accessibility, cutting-edge research, focus on behavior change, attractive design, imaginative art, and unique mini-chapters.

The Twelfth Edition addresses students' diverse needs and learning styles by tightly weaving online assignable activities into the narrative in the text. Every chapter includes Learning Outcomes and a new study plan that ties directly into MasteringHealth activities. Assignable self-assessments and reading quizzes help instructors engage students in the material.

Also available with MasteringHealth™

MasteringHealth is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Interactive, self-paced tutorials provide individualized coaching to help students stay on track. With a wide range of activities available, students can actively learn, understand, and retain even the most difficult concepts.

By nigel

Rented the book for my Health class in college. Great quality book that helped me prepare before my tests and just review key material. Comes quickly and in a return envelope for when I return the book at the end of the semester. I recommended it to my friends for when they need the book next semester.
