IMMORTAL BY DUNCAN HAMILTON PDF

George Best is considered the greatest footballer of our time. No other imposed himself so completely on to the romantic imagination. No other was so emblematic of the era during which he flourished. And no other will ever be as memorable as George Best. On the field Best's skills were sublime and almost other-worldly. Off it, he had a magnetic appeal. He was treated like a pop icon and a pin-up; a fashion-model and a sex-symbol. Every man envied him and every woman adored him.

To mark the 50th anniversary of his debut for Manchester United, Duncan Hamilton examines Best's crowded life and premature death. But most importantly, Hamilton presents Best at his glorious peak - the precocious goals, the labyrinthine runs, the poise and balletic balance and the body swerves. This is George Best: footballing immortal.

George....where did it all go wrong?.....

By R T Twinem

Duncan Hamilton's excellent biography of George Best points to some pivotal moments in his life and career. His greatest playing moment and the height of his sporting life was Manchester United's winning of the European Cup on May 29th 1968. Best was only truly happy when he was playing, scoring and receiving the adulation of his adoring fans. Nothing else mattered, the aftermath celebrations, the rewards, the copious amounts of alcohol, and the constant flow of beautiful women who entered his life briefly and ultimately departed soon after. It is said that Best was recognized as the first celebrity footballer, his life becoming public property and began quickly spiraling out of control. If only Best had been offered psychiatric counseling, if only Matt Busby had understood more fully his prodigal son, and rather than gently lecture him punished him in a more fitting and effective manner. George Best was a flawed genius, an outstanding sportsman, and it is a great pity that his footballing skills were always overshadowed by this darker side. However ultimately we all control our own destiny and must stand responsible for decisions made and actions taken throughout our life.

Immortal

By Sandy

I was very disappointed with this book. I was expecting a book about George Best's life, but it kept telling about the lives of people I had never heard of, and wasn't interested in. I would have liked to hear more about his interaction with his family. It was mostly about his football life, I was expecting more about his family life, growing up in Belfast.
