Grunlan that will certainly make your day checking out ends up being finished. When you are seeking the printed book Marriage And The Family By Stephen A. Grunlan of this title in guide store, you may not discover it. The troubles can be the limited editions Marriage And The Family By Stephen A. Grunlan that are given in the book store.

Review

The widespread use of Marriage and the Family has proved its value as a textbook covering biblical, sociological, and psychological perspectives on the family. Now this revised and updated edition brings a benchmark text into the 21st century with new material on family finances, economics, violence and abuse, premarital intimacy, human sexuality, and dating. Statistics and references have been updated, and graphics are designed for easier reading.

With more information than ever, Marriage and the Family examines the following topics from a distinctly evangelical perspective: ? The sociology of the family ? Cross-cultural and intercultural perspectives ? Dating and courtship ? Singlehood ? Communication and conflict resolution ? Childbearing and parenting ? Divorce and remarriage ? Aging and death

Case studies, discussion questions, suggested reading, a glossary, and tables and illustrations offer important information in an accessible format for the classroom. The lifestyle approach of Marriage and the Family offers a solid biblical foundation that gives students the tools they need to make wise choices and strengthen the family in these times -- Publisher

From the Publisher

This revised and updated, 21st century edition of a widely used textbook discusses the sociology of the family, historical perspective, alternative lifestyles, minority families, mate selection, premarital sex, sexuality, and singleness. It also addresses marital adjustment, communication, conflict resolution, childbearing, parenting, gender roles, aging, finances, and violence. Marriage and the Family uses case studies, discussion questions, suggested reading, glossary, tables, and illustrations to help the reader understand the importance of strong family units in crucial times. School Book

By beuford318

This book is the text for a required class titled "Marriage and Family: A Christian Perspective" for my Bachelor's in Business Administration program at Faulkner University. It contains information I wish I knew 10 years earlier about communication in relationships and other topics. This book looks stupid but is actually very informative. Don't judge this book by the cover.

Great instructional book

By Melba L. Madsen

This was a pretty good book and had allot of helpful information. All of the studies and surveys are very outdated. It needs to be revised.

Four Stars

By Savvy02

A really good read for guidance on christian relationships and values.
