## **Review**

"Elaine Wilmore has done it again with this updated second edition of her phenomenal book. Here is a guide that is at once comprehensive and specific in its focus; as broad as a sunbeam and as detailed as a laser beam. For the serious educator, it doesn't get any more helpful than this."--Tom Parks, Associate Dean and Professor (11/28/2012)

"Dr. Wilmore's book is our go-to reference when working with students who are studying for the TExES Exam. The clear and effective strategies and insights have undoubtedly helped increase our TExES Exam pass rate. The book is written in language that is easy for students to understand and the strategies presented are very clear and easy to follow. Dr. Wilmore has surely provided a rich resource for all of us involved in the preparation of school principals."--Jerry Lowe, Professor of Education Leadership (11/28/2012)

"Wilmore's book looks like another winner. The addition of new material that reflects today's high standards in education make this book a necessary volume in any aspiring administrator's professional library. It's a great tool for anyone preparing for the TExES exam."--Annette A. Perez, Campus Liaison (11/28/2012)

"Dr. Wilmore writes in a clear, conversational tone that engages you in school leadership. As you read, it is almost as if you are drawn into a conversation in which you can hear the voice of this expert in the field."--Denny Dowd, Vice President of Graduate and Corporate Affairs (11/21/2012)

"I have used Dr. Wilmore's book with over 200 graduate students who were completing their degree in Educational Administration in Texas. The students found the book to give practical information and specific examples of the competencies of educational leaders. This knowledge assisted the students to learn through real-life situations information they needed to know in order to pass the certification examination. All of these students were successful in meeting the requirements to be an administrator for all levels in the schools in Texas. I feel that any student in any state could study this book and pass certification tests required in any state in the union."--Linda N. Townzen, Educational Diagnostician, Department of Special Education (11/27/2012)

"On the first try this summer I came so close to passing. I took the exam for the second time this last Saturday, January fourth. I got my scores today. WOW! I Passed! The second edition is amazing."--Rod Muirhead

## About the Author

Learn more about Elaine Wilmore's PD offerings

Dr. Elaine Wilmore was a public school teacher, counselor, elementary, and middle school principal before she moved to higher education. She has extensive background in everything from Early Childhood Education to creating and leading doctoral programs. She currently serves as a Doctoral Dissertation Adviser for Nova Southeastern University. She also founded and is President of Elaine L. Wilmore Leadership Initiatives, which focuses on improving campus and district leadership to increase student performance. Elaine formerly served as a Professor, the Chair of Educational Leadership, Counseling, and Foundations and as the founding Doctoral Director at the University of Texas of the Permian Basin. She also served at Dallas Baptist University as Assistant Vice President for Educational Networking and Program Director for the M.Ed. and, again, the implementing director of the Doctor of Education degree in Educational Leadership.

Prior to her position at Dallas Baptist University, Dr. Wilmore served as Special Assistant to the Dean for NCATE Accreditation, Chair and Associate Professor of Educational Leadership and Policy Studies at the University of Texas at Arlington (UTA), and was the founder of all initial Educational Leadership graduate programs at UTA including the innovative field-based and grant funded Educational Leadership UTA, which received national acclaim, and the Scholars of Practice program. While at UTA she also served as Director of University Program Development where she developed and was the original Chair of the Faculty Governance Committee for the College of Education. Dr. Wilmore's respect amongst those in higher education has led her to serve as a tenure reviewer in four states and a manuscript and proposal reviewer for many conferences and professional journals.

"I attended your workshop at College Station this past summer. I am happy to announce that I passed my certification exam the first time around! I am so excited and look forward to the future and what doors may open. Thank you for your strategies and your book!" - Elodia Witterstaetter, TX

"Our principal passing rate for this school year was 94.4% in large part due to the useful strategies outlined in Elaine Wilmore's book. Our students are blessed to be able to have such a reliable tool at their disposal to ensure their success on the state required exam and in the field of education. Bottom line, I strongly recommend her book to any and all institutions offering Principal Certification."--Arthur L. Pettey, Assistant Professor (11/24/2012)

"As a college professor I am always looking for affordable, up-to-date materials that are valuable resources for my students. This book is always at the top of my recommendation list! It is the most practical resource on the market, and it provides readers with a firm foundation."--Amy Burkman, Associate Professor (11/26/2012)

-Elaine Wilmore has done it again with this updated second edition of her phenomenal book. Here is a guide that is at once comprehensive and specific in its focus; as broad as a sunbeam and as detailed as a laser beam. For the serious educator, it doesn't get any more helpful than this.---Tom Parks, Associate Dean and Professor (11/28/2012)

-Dr. Wilmore's book is our go-to reference when working with students who are studying for the TExES Exam. The clear and effective strategies and insights have undoubtedly helped increase our TExES Exam pass rate. The book is written in language that is easy for students to understand and the strategies presented are very clear and easy to follow. Dr. Wilmore has surely provided a rich resource for all of us involved in

the preparation of school principals.---Jerry Lowe, Professor of Education Leadership (11/28/2012)

-Wilmore's book looks like another winner. The addition of new material that reflects today's high standards in education make this book a necessary volume in any aspiring administrator's professional library. It's a great tool for anyone preparing for the TExES exam.---Annette A. Perez, Campus Liaison (11/28/2012)

-Dr. Wilmore writes in a clear, conversational tone that engages you in school leadership. As you read, it is almost as if you are drawn into a conversation in which you can hear the voice of this expert in the field.---Denny Dowd, Vice President of Graduate and Corporate Affairs (11/21/2012)

-I have used Dr. Wilmore's book with over 200 graduate students who were completing their degree in Educational Administration in Texas. The students found the book to give practical information and specific examples of the competencies of educational leaders. This knowledge assisted the students to learn through real-life situations information they needed to know in order to pass the certification examination. All of these students were successful in meeting the requirements to be an administrator for all levels in the schools in Texas. I feel that any student in any state could study this book and pass certification tests required in any state in the union.---Linda N. -Elaine,

I know you have never met me, and probably never will, but I wanted to tell you thank you for writing your book! It was a great resource after I missed passing my test the first time by one point! After reading it, I retook my test and passed! I am now (almost) two weeks into my first admin position and this is the first time I have had to email you. Just wanted you to know I'm appreciative of you!

Thanks.-

#### About the Author

Learn more about Elaine Wilmore's PD offerings

Dr. Elaine Wilmore was a public school teacher, counselor, elementary, and middle school principal before she moved to higher education. She has extensive background in everything from Early Childhood Education to creating and leading doctoral programs. She currently serves as a Doctoral Dissertation Adviser for Nova Southeastern University. She also founded and is President of Elaine L. Wilmore Leadership Initiatives, which focuses on improving campus and district leadership to increase student performance. Elaine formerly served as a Professor, the Chair of Educational Leadership, Counseling, and Foundations and as the founding Doctoral Director at the University of Texas of the Permian Basin. She also served at Dallas Baptist University as Assistant Vice President for Educational Networking and Program Director for the M.Ed. and, again, the implementing director of the Doctor of Education degree in Educational Leadership.

Prior to her position at Dallas Baptist University, Dr. Wilmore served as Special Assistant to the Dean for NCATE Accreditation, Chair and Associate Professor of Educational Leadership and Policy Studies at the University of Texas at Arlington (UTA), and was the founder of all initial Educational Leadership graduate programs at UTA including the innovative field-based and grant funded Educational Leadership UTA, which received national acclaim, and the Scholars of Practice program. While at UTA she also served as Director of University Program Development where she developed and was the original Chair of the Faculty Governance Committee for the College of Education. Dr. Wilmore's respect amongst those in higher education has led her to serve as a tenure reviewer in four states and a manuscript and proposal reviewer for many conferences and professional journals.

"I attended your workshop at College Station this past summer. I am happy to announce that I passed my certification exam the first time around! I am so excited and look forward to the future and what doors may open. Thank you for your strategies and your book!" - Elodia Witterstaetter, TX

Great book with lots of content but no practice test!

By Jamie Teixeira

This is definitely a very feel good book. The author writes like she personally knows the reader. Often making references to thanking her or telling us how proud she is of us. To be honest, I like all of the positive vibes I get from this book. It even has a mantra which I love and adding one line to. I do make sure I repeat it daily and it gives me a sense of hope. The content is well written and it does cover all the domains and competencies. The only thing it is missing is a practice test. This book does not have a practice test. That is

kind of a big deal for me. Yes you can get a short practice test from the TEA website but the more you practice... I still like the book. It is an easy, pleasant read with not too much jargon thrown at you. Make sure to buy it with plenty of time to read it. You don't want to read this all in one sitting. Way too much information for that. If Barbara could add a practice test in, this would have been a 5 star rating. I haven't taken my test yet. If I don't pass...I will update and remove a star. But with my mantra, the knowledge from this book, and the practice test from the TEA website I think I am going to ACE this test!

Stressed? Get your mind right with this.

By Fozzie

Certification exams are no joke. A colleague of mine that had already successfully completed the TExES 068 exam had suggested this book as well as reviewed the first edition before the 2nd was released. She swore by it, and after going 50 pages in, it really has gotten my mind right. The book will focus your thoughts on what the "ideal principal" would do. It is a very easy read and the information is written in a way that is easy to keep going without feeling exhausted from the educational jargon.

Anyone who is planning to take this exam needs to ...

By Night Rain

Anyone who is planning to take this exam needs to read this book, not once, but twice. It is very insightful with a touch of humor and a dash of sarcasm, which kept me entertained and attentive. Everything she said as far as how to dissect the questions on the exam was accurate, and the key words she highlighted were also on point. I appreciated her words of encouragement throughout the book as well. I took this exam twice; the first time I took it, I didn't read this book, and failed. The second time I took it, I passed, and I believe this book was what helped.

The students found the book to give practical information and specific examples of the competencies of educational leaders. This knowledge assisted the students to learn through real-life situations information they needed to know in order to pass the certification examination. All of these students were successful in meeting the requirements to be an administrator for all levels in the schools in Texas. I feel that any student in any state could study this book and pass certification tests required in any state in the union." (Linda N. Townzen, Educational Diagnostician, Department of Special Education 2012-11-27)

"As a college professor I am always looking for affordable, up-to-date materials that are valuable resources for my students. This book is always at the top of my recommendation list! It is the most practical resource on the market, and it provides readers with a firm foundation." (Amy Burkman, Associate Professor 2012-11-26)

The new edition of Dr. Elaine Wilmore's text is absolutely outstanding. "Passing the Principal TExES Exam" will be of tremendous value to those aspiring to be principals in Texas. (William Allan Kritsonis, PhD)

"On the first try this summer I came so close to passing. I took the exam for the second time this last Saturday, January fourth. I got my scores today. WOW! I Passed! The second edition is amazing." (Rod Muirhead)

"Elaine,

I know you have never met me, and probably never will, but I wanted to tell you thank you for writing your book! It was a great resource after I missed passing my test the first time by one point! After reading it, I retook my test and passed! I am now (almost) two weeks into my first admin position and this is the first time I have had to email you. Just wanted you to know I'm appreciative of you!

Thanks."

(J. Travis Barnes, Assistant Principal)

"I purchased Dr. Wilmore's second edition of Passing the Principal Texas Exam. I was struggling with the Oklahoma Secondary Principal exam. I found the book very helpful and wanted to write and let her know that I passed and owe some of that success to her book."

(Paul Kirchubel)

"Dr. Wilmore's work enabled and empowered me to be successful on the Principals TExES exam. I have no doubt in that regard."

(Tony Dodson, Basketball Coach)

"I just found out today that I passed the principal exam. The practice test and Elaine's book are spot on! I know I wouldn't have passed without them! Thank you!"

(Glynis Durham, 4th Grade Teacher)

"I want to thank you for your incredible insightfulness in your book Passing the Principal TEXES exam! Through your guidance and wisdom, I was able to successfully navigate my way through my test and passed the first time! I implemented the various strategies while studying AND during the test, which was tremendous advice. I could go on all day about how your book has literally changed my life! Thank you, thank you, thank you!"

(Tammy Morrison, School Counselor)
