## **BY STEVE OGAN PDF**

Most families have one negative heritage or another associated with them. Some have struggled with these evil foundations for centuries. Others have accepted persistent reproaches as their lot in life. Yet others, in an attempt to change the tides of calamities, have sought for solutions in places that compounded their situation. What do you do when you notice the scourge of premature death in your family? How do you explain the persistence of poverty in the midst of plenty? Why do some family members work like elephants and eat like ants? Why are women in certain families unable to keep their husbands? Why is divorce a mark of identification for some families? These are the concerns we have chosen to address in this book on principles of dealing with evil heritage
