SOMEONE LIKE YOU BY JOANNE MCCLEAN PDF

*** PLEASE NOTE THAT THIS BOOK CONTAINS STRONG LANGUAGE ***

"You know, there's a word for someone like you ... naive."

"Well, there's also a word for someone like you ... womaniser."

Temperance Brannigan knew from the beginning that Priestly Sawyer was trouble. Due to a University housing screw up, she finds herself stuck sharing a flat with him. With his bad boy looks and unfriendly demeanour, it was a given that he was going to interfere with her bookish ways.

He throws wild parties, has a womanising reputation and treats Temperance as if she's a leper. However, with nowhere else to go, she has to learn to tolerate him but he isn't making it easy ...

Priestly Sawyer knew from the beginning that Temperance Brannigan would be insufferable. Forced to live with her, he just knows that she's going to be a pain-in-the-ass.

With her nerdy glasses and studious ways, it was a given that she was going to interfere with his partying. She throws him wary looks, always has her nose stuck in a book and avoids him at all costs.

So, Priestly concocts a plan to annoy her so much that she has no choice but to leave. However, he didn't count on Temperance making it so damn difficult ...

It was good. Wanting more

By Kaitlyn Marie

First off, the names of the characters in this book were different. Their not the normal every day names, and I like that.

The characters both had strong characteristics, which was awesome. They certainly clashed in many ways, but they slowly grew to like each other or find an equal medium. It was nice to see how protective Priestley got over Temperance. I liked seeing the characters work through their emotions, struggles, and every day events. What happened with Priestley surprised me. I had not seen that coming. It certainly added to the story.

The only thing I wish is for that there was more interaction or more to the book about them being together, like after they accepted that they truly wanted to be together.

Sweet and fun

By Heather Bushea

This was a really good short read. I read it in one evening because I couldn't put it down. I love their banter and the tension that builds between them. Priestley and temperance are complete opposites, but it is fun to see them bring out the best in each other and grow together as they get to know each other. If you're looking for a fun, sweet, short read this is it. Short enough that the story doesn't become overly complicated, but long enough to have good character development and really allow the reader to fall in love with these two. :)

Opposite' s Attract

By DIZNEECE

I have not one negative thing to say about this book. I truly enjoyed it. Loved Priesly and Temperance. They had great chemistry. Loved their fights. As her friend said, they had undeniable sexual tension. And I loved it. I also loved their friends. Especially Carter. I'd love to read an extension of the book, having Carter as the main character. Great quick read. Highly recommend
