Eric Holden is the hottest football player at Las Juntas College—and the straightest, but Abel Epstein never got the memo. He's always one step behind his white knight, with camera in hand, and no one's ever gotten in his way until Eric's best friend, Pacer Daringer, cast a shadow over Abel's happily ever after. Now Pacer has the little stalker in his sights, and he's determined to teach Abel a lesson. What he didn't count on was that Abel might like it.

Loved this one

By kitkat260

I felt so bad for Pacer at times during this book; he was so into Abel and it seemed like all Abel saw in Pacer was a way to get closer to the object of his obsession. As the book went on, though, Abel did begin to see Pacer in a different light though he still tried to stick to his original obsession with Eric. There is some light elements of BDSM, for those that don't like that in their books, but it wasn't over the top. Definitely on my keeper list.

Love, love, love

By Anissa

I didn't dislike a thing. I've read all of RDHero's books and this one is my favorite. I loved the way her ideas are displayed. Taking this journey with Pacer and Abel was true bliss and I finished it in a day. I recommend this book to anyone who loves a slash fic. I would read this book over and over again. When I first saw the sample on Wattpad, I knew I had to come and buy this full version.

Pacer and Abel discover bdsm

By Kindle Customer

A cute story but light on world building. Side characters were two dimensional, the campus detail very flat, and once or twice I felt Abel came close to dropping character. Still watching pacer and Abel create a bdsm relationship was fun, as they felt genuinely like two novices. Still, the actual romance between the two wasn't very all apparent. I have enjoyed other works by this author more, but would read a sequel and really enjoyed the book and the characters.
