A must read for every recovering alcoholic

By Lori A. Colbo

As my title states, this book is a must read for every recovering alcoholic. Staying sober sends a clear message that relapse begins long before we use. Using is the end stage of relapse.

This book gives the warning signs of relapse, the symptoms of it, and how to avoid it. With this knowledge, it should help a lot of addicts to be alert for the warning signs and prevent relapse all together. This book is a fascinating and necessary look at the nature of alcoholism, addiction, and relapse.
