1 of 1 people found the following review helpful.

A pleasant story that somehow falls short of satisfying

By Litlovingmama

Molesworth was a very popular children's writer in the Victorian period. Her stories were touted as "neo-fairy" stories because of their mixture of fantasy and realism. In this story a little girl is sent to boarding school and is extremely unhappy. Geraldine works very hard to overcome her situation, but she is never quite believable or loveable to the reader.
