## THE ELEMENTS BY RICKY GOODALL PDF

A Strategic Guide to Manifesting the Life of Your Dreams Is manifesting your dreams really all about positive thinking? Not exactly. Author Ricky Goodall goes beyond the law of attraction and explores the various teachings, theories and concepts required to manifest the life of our dreams. With a hunger for knowledge and a thirst for change Ricky has explored ideas found all over the world from the beginning of humanity which he shares as The Elements. Each chapter contains a short homework section to help the reader organize their goals and work toward manifesting any dream they desire. Do you want to travel the world? Open a business? Find the perfect partner? This book can help you achieve all of that and more. Through a combination of faith, humility and persistence any reader of The Elements can live the life of their wildest imagination. What's your dream? Note: 100% of the profits for this book go to Phoenix Youth Programs in Halifax!

It has made being mindful and able to manifest anything exceptionally easy & a second nature to me

By Jfaith

This book travelled with me everywhere I went from the minute I received it until I finished it. (and it still comes with me even after completion- I often lend it out to friends and family) With references and research that'll have you learning new information and seeking out new experiences with every chapter, it is a book you won't soon forget, especially after you start finding synchronicities within your life and the words you've just read. This book leaves you with a whole new perspective on the outside world, and most importantly within yourself. It has made being mindful and able to manifest anything exceptionally easy & a second nature to me.

What a great read!

By Amazon Customer

The Elements is a genuine inspiration and I can't recommend it highly enough. Although I was already familiar with some of the "self-help" concepts presented in the book, the way Ricky lays out his understanding of complex esoteric teachings is truly unique. Coming from the school of hard knocks, Ricky has the life experience to know how one, in a practical way, can begin to improve their quality of life.
