Review

...an essential guide for RVers. --T. Dix

I have used the Next EXIT for nearly two decades, and have found it to be the most accurate of any of the services guides on the market. --email

I would give up my map before I would leave home without the Next EXIT. It's the best thing I have in my car, and this includes GPS. --W. Black

About the Author

Watson traveled across the US for the first time at the age of 6 weeks and many, many times since. As father of a young family, he realized the value of knowing what was ahead on the interstate highways. After tabulating highway services for seven years, he published the Next EXIT in 1991. The first comprehensive guide of its kind, it quickly became a must have tool for the serious traveler.

13 of 14 people found the following review helpful.

Ok but not the best

By Barbara E. Terry

We ordered this as an updated replacement for our trusty Exit Now guide. This is ok but I miss the layout of the other which was based on the interstate itself and not individual states. Easier to follow.

4 of 4 people found the following review helpful.

A MUST FOR RVERS AND TRAVELERS BY VEHICLE

By S. Bock

GREAT resource but wish it took a road and ran it from start to finish instead it takes you to state than the road number and then tells what is at each exit. I had last years edition but things change and these are inexpensive enough to update yearly.

1 of 1 people found the following review helpful.

Made for a 20th century person like me, just LUV IT !

By Old Greybeard

If you are like me with just a flip phone that is never on, no GPS, Onstar or anything like that, this is needed for any good road trips in the U S of A.

Very accurate and easy to read, well worth the bucks. Have used these for many cross country trips for oh so many years and they have never failed me. This and a few AAA maps with a little imagination to boot, is more enjoyable for me than listening to a machine telling me where to go.

AAAAA +++++
