Outstanding Hotwife Tale

By Marvin Jones

This is an exceptionally good story of hotwife erotica. As is typical of this genre, the husband wants his spouse to engage in hotwife activity, but she does not, though she is willing to indulge his fantasy by means of hotwife role playing during their normal sex. But in time, she comes to find the fantasy appealing, and is willing to flirt with other men as an expansion of their role playing. In this tale, the couple, Becky and Jason, love each other profoundly, wish to support each other, and take each step into the life of hotwifing based on mutual consent. So, knowing that Jason wants to see her have sex with another man, Becky flirts shamelessly with Matt, finds it to be undeniably enticing and enjoyable, and soon the threesome are spending an extended night engaged in all manner of sexual activity. In a literary tour de force, St. Clair composed one of the most extensive sex scenes that I have ever read. Supposedly lasting for several hours, there is no aspect of the threesome's love making that is not described over what must be sixty pages of text. Matt is much better endowed than Jason, and he is capable of taking Becky where she has never been with Jason, a fact which Becky lets Jason know. But Jason overcomes his fears of being a cuckold and is sexually fulfilled by observing his wife satisfied as she has never been before. Meanwhile, Becky gains greater confidence in her own sexual powers and takes progressively more control of the sex to the point that she is dominating both of her male partners, but she is never demeaning. Instead, she drives the sex to the point where both men are both completely satisfied. Simultaneously, Becky has experienced both the exhilaration of great physical sex with Matt and loving, supportive sex with Jason. Becky is certainly the hero of this story, as she comes to control the action, expresses her deep love of her husband, for which he is immensely grateful, expands her own sexual horizons, and is rewarded with enormous erotic pleasure, and her husband's even greater love.

A really HOT hotwife

By Nautilus

Long extended story of a couple, experiencing the hotwife relationship for the first time. Step by step he couple sink into the delights of becoming a hotwife couple. Detailed, hot descriptions in the explicit part. Pretty hot, but the sexual contents could have been nastier. However, definitely worth reading.
