Why must wait for some days to obtain or obtain guide **The Rules For Online Dating: Capturing The Heart Of Mr. Right In Cyberspace By Ellen Fein, Sherrie Schneider** that you order? Why ought to you take it if you can obtain The Rules For Online Dating: Capturing The Heart Of Mr. Right In Cyberspace By Ellen Fein, Sherrie Schneider the much faster one? You can locate the exact same book that you buy here. This is it the book The Rules For Online Dating: Capturing The Heart Of Mr. Right In Cyberspace By Ellen Fein, Sherrie Schneider that you can get straight after acquiring. This The Rules For Online Dating: Capturing The Heart Of Mr. Right In Cyberspace By Ellen Fein, Sherrie Schneider is well known book around the world, of course lots of people will certainly try to own it. Why don't you become the first? Still puzzled with the means?

From Library Journal

Fein and Schneider (The Rules, The Rules for Marriage) collaborate once again to give women a highly structured system for online dating that consists of 29 rules and 17 "Extra Hints" intended to turn them into desirable "Creatures Unlike Any Other" (CUAO). They show how to choose a screen name, sift through incoming requests, and sound "light and breezy" in ads and replies. The most troubling aspect of this book is that it works counterintuitively to the very essence of online dating. For example, the authors forbid women to take any initiative, telling them to wait 24 hours before responding to e-mail, never participate in Instant Messaging or chat rooms, answer all e-mail in three sentences or fewer of chipper-sounding rhetoric, and stop talking to a man who doesn't ask them out within four messages. Although it makes sense for a couple to go on "date zero" (meet in person) before they grow too attached, there is a lot the pair can learn from each other by openly corresponding online before dating, the authors' strictures notwithstanding. The "light and breezy" tack will work against a woman seeking a relationship built on communication and trust, and men will feel put off by this seemingly manipulative strategy. Eve Hogan's *Virtual Foreplay* is a more reliable choice for information on online dating. CUAO looks a lot like ciao, which is what most decent guys will say to a woman following this misguided advice. Jeanne Larkins, New York

Review

". . . The Rules for Online Dating is like a mini refresher course in how to behave and handle your love life."  
-- Cheryl Tiegs, model

". . . My wife Gretchen played by The Rules and had me at the altar less than 12 hours after we met . . ." --  
Danny Bonaduce, host of TV's *The Other Half*

". . .The Rules for Online Dating tells women how to post their ads and be successful with men." -- Enid O'Sullivan, Louis Licari salon

## About the Author

Ellen Fein is a graduate of New York University and lives on Long Island, New York, with her husband and two children. Ever since she and Sherrie Schneider began weekly meetings in a Chinese restaurant years ago, lamenting their dating woes and discussing their friends' relationships, the two have been formulating and formatting their rules for dating that have now become so popular. They have come a long way, having been featured on Dateline NBC and the Today show, chronicled in People, Time, Newsweek, The New York Times, The Los Angeles Times, The Washington Post, and USA TODAY and even spoofed in a skit on Saturday Night Live. Since the success of the first book, there have been several spin-offs, adaptations, and parodies of The Rules, written by other authors, but none have garnered the attention of the original.

What the international phenomenon of *The Rules* did for conventional dating, *The Rules for Online Dating* does for the search for love on the Internet. You'll never hit the "reply" button the same way again.

Millions of women around the world are meeting men on the Internet, or they've met in person and are corresponding by e-mail. But though e-mail and Net-based dating services have revolutionized the dating landscape, they've created their own pitfalls and challenges. Women need new strategies that will improve their chances of capturing Mr. Right.

Boasting the same time-tested formula and romantic spirit that made *The Rules* an international bestseller and launched thousands of women down the path to committed relationships, *The Rules for Online Dating* shows all women -- regardless of age, status, or computer savvy -- how to use electronic communication to relate to men in a way that maintains self-esteem and leads to a healthy relationship.

Here is a comprehensive list of dos and don'ts that will help every woman conduct an e-courtship safely and successfully; find and keep the interest of suitable mates; and save time, energy, and potential heartache by weeding out dead wood. *The Rules for Online Dating* takes women through the process -- step by step, Rule by Rule -- to the ultimate goal: a relationship based on mutual attraction, interest, and respect.

Way too dated

By AAuld

I ended up having to skip large sections of this book because it's just too dated. I was hoping for more information about trying to weather the storm of online dating with texting and social media apps like Tinder, Facebook, Bumble, OKCupid... there's countless options out there and it's all so overwhelming. This book actually goes into a full blown explanation about what an "IM" is. Really???

There may be some tidbits in there that still resonate in today's plugged in world, but I found the short chapter on online dating more valuable in "It's just a F\*\*\*ing date" than this entire book.

Good concepts

By Amazon Customer

Interesting book and offers great insure. Would be five stars but the book is already outdated and doesn't really account for modern day communication.

Great Book!

By Christy G.

A must read for any female that is doing or interested in online dating. Great Book!
