brightest and most beautiful

By J O Holloway (joholloway@datacruz.com)

Walker's version of the Tao Te Ching is by far the most beautiful and has (at least, for me) the clearest and deepest meaning. This is the the book that has taught me the most about the tao; this is the translation from which I read to my son. I hope you read it.

The Best Translation Of The Tao Te Ching To Read While Enduring A Life Crisis

By Albion Guppy

This may sound like a silly or a comical name for a review of a book that I consider to be the best translation of the TTC to read while going through the dark times in one's life.

But I found Brian Browne Walker's translation of the Tao te Ching while going through a really bad divorce, multiple surgeries, and an all around crappy time in my life.

And it spoke to me, as if ole Laozi was there beside me, reading it to me himself.

While I study Red Pine's translation of the TTC much of the time now, I have a really special place in my heart for Mr. Walker's translation.

It's written by a man who KNOWS disaster, and devastation, and a man who has also walked through it all to the other side, and out of the shadows, and into the light of a life, well lived.

Walker translates the Tao te Ching with PASSION, and as other reviewers also mention, with clarity.

If you are going through a hard time in your own life, I encourage you to buy a copy of Brian Browne Walker's translation of the TTC, and let it speak to YOU, just as it did, and STILL DOES, to ME.

The Most Faithful Translation of a Sacred Text to Date.

By A Customer

I have read many different translations of Lao Tzu's Tao Te Ching. Mr. Walker's translation opens up to the reader a whole new realm of Tao philosophy with beautiful, insiteful words which more perfectly capture the essence of Lao Tzu's thoughts and philosophy. Lao Tzu was one of the greatest philosophers and sages of our planet, and Mr. Brian Walker is the individual alive today who is most in tune with the ancient bodisatva's thoughts. This book is well worth the money as it comforts an individual in any possible situation. The wisdom of the Tao is eternal, and this translation of the Tao Te Ching captures its essence better than any other translation I have come across
