Much Truth is found in this book

By A Customer

Ella Hughley has written a book about a controversial subject, that is only whispered about from time to time by Scholars, Archaeologist and Theologians. She shows that the original Hebrews who were freed from Egyptian bondage, were a black skinned people. But it doesn't stop there, she provides more information that shows the African Americans are descendants of those original Hebrews.

This book brings out the fact that the bible says Ancient Israel looked like the Ethiopian and Ancient Egyptians. Ella Hughley shows this by the biblical comparison of Moses and Joseph to the Ancient Egyptians. She shows how the punishments / curses that were put on Israel by the most high fit the full description of the African Americans history and social ills in the western hemisphere.

Ella Hughley goes deeper, she provides information about the Ashkenazi Jews, and who they are really descendants from.....

All in all this is a good book to begin you on the path to the truth about the original Biblical Israelites. It's a small book (68 pages) but it contains big information.

Must read book!

By Elvis Davis

This book lays out facts and interpretations of the Bible that are never revealed or discussed in bible study classes. People have held on to worshipping blindly because they are not interested and are not taught to seek the meanings of the words used throughout the Bible. This books gives translations that will never be included in books published in mainstream publications. When you go beyond simply reading words and take the initiative to learn what those words mean is when you start your journey to truth. For those who want to know the truth about the bible and the people who lived during biblical times, this book must be part of their

library of reference books.

There is a saying that goes " the truth shall set you free " Christ an Israelite said those words and now the truth will set minds on fire with this book. Other books have peeked around the subject that the Jews the bible speaks of along with all the biblical prophets INCLUDING CHRIST are all people of dark color. This book takes this topic head on. This is a secret that has been deliberately white washed and hidden since the start of the Renaissance period. This book just emphasizes the truth and nothing but the truth. Again THE REAL JEWS ARE THE SO-CALLED BLACK MAN IN AMERICA AND THE CARRIBBEAN, THE HISPANICS THROUGHOUT NORTH CENTRAL AND SOUTH AMERICA AND, THI SO-CALLED AMERICAN INDIANS. These are the true people of the lord who built the pyramids in Egypt and molded civilization since the beginning of time. This book my friends will tell you and show you all of these true and shocking facts.
