Time's Unfading Garden - About the life of Anne Spencer

By vanessairvin93

This biography about the life of lesser-known Harlem Renaissance poet Anne Spencer, reveals details about the Harlem Renaissance that helps to link people, places and events together. Mrs. Spencer's gardenhome was an important nexus between the North and the South for many of the Black intelligentsia during that time. Her biography shares her friendships with James Weldon Johnson, W.E.B. DuBois and others; giving us a behind-the-scenes glimpse into the lives of these great figures of African American history.

We also receive the gift of learning about Mrs. Spencer's literary contribution to the Harlem Renaissance, with a healthy collection of her poems placed in an appendix in the back of the book. "Time's Unfading Garden" would be a wonderful addition to any Harlem Renaissance collection. It is a rare item today, but if you can find it, it is worth the investment.
