# TWIN STAR EXORCISTS, VOL. 4 BY YOSHIAKI SUKENO PDF

Rokuro is from a family of exorcists, but he'd rather be a singer, a soccer player or anything but an exorcist! He's forced to own up to his own incredible potential when new arrival Benio stirs his competitive spirit. But their rivalry gets a twist when they earn the prestigious title of "Twin Star Exorcists"—two supreme fighters fated to marry and birth the ultimate spiritual warrior!

Benio and Rokuro must work together to wield the Resonance Attack against Benio's own long-lost brother! Then, when Benio is gravely injured, the Basara who killed her parents offers her a terrible option...

Best Volume Yet

By Tristan A. Hayes

Alright so this volume finally starts to have Twin Star Exorcist branch out in something that is unique for the exorcist genre from VIZ (JUMP SQ Shueisha). I won't go into details to spoil the story, but the surprising direction it takes while balancing some comedy, some tears, some feelings of determination, despair and failure, it manages to feel like a story filled with a lot of heart. It also eases us into things well not coming out of the blue to introduce a power up randomly or something along those lines to build up to something bigger and better. It was a great volume.

Yuto really shines as an antagonist. He may have the same motivations as fifty other boys action manga antagonists but at least he has the sister Benio, and wants to at least recruit Rokuro (his childhood friend). I think hes refreshing because of these connections as well as his fairly playful though not too playful personality. Meanwhile Benio and Rokuro start to grow on us in their day to day interactions training and living together. The bonus chapter included as well as 4-koma help to develop their day to day lives and feelings about things well. I enjoyed it and I imagine it will be enjoyable for most readers. I think its just funny seeing them have this whole house on their own and how they deal with just eating or even cleaning up. It still remains unoriginal though since boys and girls living together as grade schoolers is filled with all

sorts of awkwardness that we see in many other manga. The execution is at least fun.

Overall this is probably the best volume for the story and for its uniqueness. It may not be a truly original story but the ride is pretty fun.

Good volume.

By Nicola Mansfield

An intense battle volume. First part has Benio and Rokuro practicing the new attack they can work together. Then the big battle with Benio's brother takes up the rest of the volume. He taunts them and wants more than just to kill them. They are surprised to find how strong he is and Benio ends up making a life or death decision which changes her life forever. The action and seriousness is lightened slightly by the usual bickering and hidden feelings between the two exorcists. Good volume.
