TWISTED TRUTH: A DR. CHRISTIE MCMORROW PSYCHOTHRIller BY JOANNE CLAREY PDF

Voted one of the top 10 psychological thrillers by Squido.

WRITER'S DIGEST: "A novel of this depth and magnitude, written in the tradition of James Patterson's Alex Cross, is writing we would like to see more of."

BOOK REPORTER: *****Five stars for this page turner. It has everything. A female forensic psychologist, a compulsive serial killer, a love story, and suspense that will leave you biting your nails."

Dr. Christie McMorrow dedicates her life to helping victims of trauma, as a psychologist in private practice and as a consultant to the Maine State Task Force on Violence. She believes that truth will prevail, bringing healing and justice.

Stephen Scott dedicates his life to bringing his perverted truth about women to the world. Programmed as a child to believe that women are evil, his mission is to alert others about their danger through acts of ritualistic murder. He selects Christie McMorrow as his next victim.

When Christie disappears, her colleague, Detective Bill Drummond, and house-mate, Alex Harris search for the woman they both love.

In a heart-stopping conclusion, the forces of good and evil collide. Will Stephen prevail once again or will Christie find a way to escape? The ending will leave you breathless.

Over 100,000 words pull the reader into the depraved mind of a sexual psychopath as he travels across the USA raping, savaging and killing women and into the consciousness and office of a psychologist as she works to salvage the lives of victims of trauma and to face her own issues from the past and the present. Gritty and graphic, Twisted Truth is based on real facts which indeed are more powerful and stranger than fiction.

a real thriller

By Lucille

Since I read this book, I always double lock my doors at night.

Clarey's descriptions of the stalker and into his mind are piercingly vivid, the suspense building intensely as he plans his attack on the unsuspecting psychotherapist. Even more unsettling is how he came to be so disturbed. This is haunting, nail biting, and will take you for a thrilling ride. Hold on.

Twisted Truth

By Dixie Jakubsen

Dr. Clarey paints a realistic picture of a deranged serial killer in her debut novel, *Twisted Truth*. A frighteningly true-to-life look at a victimized young man who grew up twisted and damaged from abuse suffered at the hands of a family member who became his guardian. Dr. Christine McMorrow meets her match as she tries to match wits with and stop this killer before she becomes his next victim! Chilling, yet fascinating!
