Cute & catchy!

By Rochelle D.

I bought this book for our two boys, ages 4 and 7, both of whom love it! The oldest attended his first football game at Florida State last year, so he was able to recognize some of the references in the book to statues and buildings as well.

Great for alumni

By Colleen

I ordered this book for a friend (ordered the gator one for myself). This is a great gift for her to share with her nephew to get him excited about her alma mater.

Must Have for every little Florida State Fan!

By Melissa Sigrist

I love the illustrations! Fantastic, must-have book for every little Florida State fan!

It is written as a poem, which is kind of forced and doesn't always flow smoothly; but it is very cute and I hope will be a long time favorite for a future little 'Nole.
