WRITING FRAMES FOR THE INTERACTIVE WHITEBOARD: QUICK & EASY LESSONS, MODELS, AND WRITING FRAMES THAT GUIDE STUDENTS TO WRITE NARRATIVE, DES PDF

These whiteboard-ready lessons provide a dynamic tool for helping students master key writing forms. Each lesson presents a must-know format, such as a personal narrative or a summary, and shows step by step how to introduce and teach the model—and how to use the interactive whiteboard to engage students in learning. The models include sentence starters and other annotations that help students understand the writing's structure. Filling in the missing information in the companion frames helps students to instantly organize their ideas. This resource also includes checklists that help students independently apply what they've learned. For use with Grades 3-6.

A Must Have for Writing Teachers

By L. Angstadt

Teaching elementary age students how to write is perhaps the most difficult aspect of teaching. Using these writing frame gives the students a place to organize their ideas. Using these frames they are never staring at a blank piece of paper procrastinating over a writing project. They fill in the blanks, transfer ideas into paragraphs, and are soon writing well without the frames. I highly recommend this to any teacher of writing.

Excellent Presentation & Organization

By crafty

This is exactly what I was looking for...in needing something that my 8-yr old nephew could quickly

understand without being overwhelmed and have fun with. It explains each topic/writing type clearly, provides a framework or worksheet for the kid to use as a writing template, and explains each writing type. Excellent for my 8-yr old who is easily distracted when things get "boring."

Excellent Writing Resource

By Paul S. Wilcox

Outstanding resource to boost student writing skills. Writing frames provide support for developing writers and this book is filled with examples from writing a book report to sharing about a field trip experience. I love this book!
